SPRING CLEAN YOUR FINANCES

Dusting off cobwebs, scrubbing corners, purging old clothes from the closet. Spring is the time of year when many of us give our homes a thorough deep cleaning.

It's also the perfect time of year to get your finances in order, especially with tax deadlines approaching. As you're putting away your dusters and mops, pull out a calculator and your most recent financial statements.

MORE WAYS TO SAVE

Spring is a great time to get rid of things that no longer serve you, and start creating good financial habits for the rest of the year. These savings products make it simple to get yourself on the right track.

Save to Win

Save to Win is a unique Share Certificate that gives you a chance to win monthly and quarterly cash prizes, in addition to your savings. As your deposits grow, so do your chances of winning!

All you need to get started with Save to Win is \$25. We can help you build up a minimum deposit for a traditional Share Certificate, then work your way up to an Individual Retirement Account (IRA).

Learn more about Save to Win at OneDetroitCU.org/save-to-win.

Club Magic

You choose the amount to deposit in your Club account (by payroll deduction for automatic deposits or by cash). Then, just like magic, your account grows as deposits are made and dividends are posted monthly.

On October 31 the funds are transferred from Club Magic to your savings or checking account so that you may use the funds as you desire. It's a great way to save for holiday shopping or an end of year vacation.

PREVENT FRAUDULENT CHARGES TO YOUR ACCOUNT

Please store our fraud department numbers below, in your contacts as 1DCU Fraud Prevention. They will reach out to you to verify activity that may be suspicious to them. Because they display as toll-free numbers on caller ID, their calls are sometimes ignored.
